**Weather:** absolutely beautiful, temps 75-80, Wind 5-8 mph, road conditions smooth to slight imperfections. Need more people on more corners to keep the riders on course. Perhaps more riders need to keep their heads up near intersections to watch for turn arrows, cars, turn marshals and to avoid turn marshal who was waving a orange flag and yelling turn right, right, just before he needed to jump out of the way to avoid being hit by a bicycle.

Thanks for coming out to race; Bryce Master will be receiving new Sand Wheels for his wheelchair.
