

MATTS Mid America Time Trial Series

ABD Cycle Club

John Fraser Memorial Time Trial April 9, 2006

270 riders arrived in Maple Park, IL to race the first Outdoor MATTS event of the year on a 10 mile (9.4) double turn around basically flat course. After racing four MATTS ABD Indoor TT's on computer control trainers it was great to have a breeze on the face and inhaling the fresh country air. With temps in the 50's, clear skies and hardly any vehicles everyone was set for some fast times.

Are you sure that is correct? I was trying to get less than 28 minutes, 24:59 can't be. James, the Officials checked it three times and your time is 24:59.46, 1st place Junior. The grin was ear to ear. Now go tell Steve the training worked.

First flat tire was in the back, 2nd was in the front, was this a bad omen, I did not expect to have a good ride today. Jim finished, eventually, with the fastest time in Masters 50+, 22:04.45.

That is the first time trial outdoors that I ever raced. One person told me to ride it like I race mountain bikes. At the moment Corie was 1st in Women Open with a 25:30.99 but within the hour 5 riders would top her time but only a minute separated the top six riders. Peithman and Harrison were only a second apart.

Starting two minutes apart Mumford and Mead passed many riders blazing to their under 20 minute times. Some other riders were less than a minute away. No room for mistakes in this rarified time zone.

Chili, who wants some Chili? Once again ABD Cycle Club treats the riders to some fine Chili prepared by the American Legion Post in Maple Park. They even made deliveries to the course marshals.

I just got this new TT bike and it won't shift, what the, thank goodness the Park Tools were at the line to do a quick derailleur adjustment and tighten the bolt. I guess that mechanic was too busy preparing his own bike for this race. No he is not in my category.

The next MATTS event is the Cherry Valley 30K in Cherry Valley, IL, and a little east and south of Rockford on Saturday, April 15. This is an interesting course that rolls through the tree lined countryside.

Then we go to the Harvard 30K on April 22 and Single Bong 20K on April 23. For more information, race flyer and schedule of events go to www.AmBikeRace.com.
